Dear Sir or Madam,

### **PROPOSALS RELATING TO GENERAL MANDATES TO ISSUE AND REPURCHASE SHARES NOTICE OF ANNUAL GENERAL MEETING AND RE-ELECTION OF DIRECTORS**

#### **INTRODUCTION**

At the annual general meeting of Oriental Watch Holdings Limited (the “Company”) for the year ended 31 March 2025, resolutions will be proposed to grant to the directors of the Company general mandates to issue and repurchase shares of the Company.

The purpose of this circular is to give you further details of the abovementioned proposals and notice of the annual general meeting of the Company for the year ended 31 March 2025 (the “AGM”). In compliance with the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “Listing Rules”), this circular also contains the explanatory statement and gives all the information reasonably necessary to enable shareholders to make an informed decision on whether to vote for or against the resolution to approve the purchase by the Company of its own shares, together with particulars of the directors proposed to be re-elected at the AGM.

## LETTER FROM THE BOARD

---

### GENERAL MANDATE TO ISSUE SHARES

At the AGM, ordinary resolutions will be proposed to grant a general mandate to the directors of the Company to allot, issue and dispose of shares of the Company (including any sale or transfer of treasury shares (which term when used in this circular shall have the meaning ascribed to it in the Listing Rules)) not exceeding (i) 20 per cent of the total number of shares of the Company in issue on the date of the resolution (excluding treasury shares) and (ii) the total number of shares repurchased by the Company under the general mandate mentioned below, to provide flexibility to the Company to raise fund by issue of shares efficiently. On 8 July 2025 (the “Latest Practicable Date”), being the latest practicable date prior to printing of this circular, there were in issue an aggregate of 487,358,224 shares of HK\$0.10 each of the Company (“Shares”). On the assumption that no Share will be issued or repurchased prior to the AGM, exercise in full of the mandate could result in up to 97,471,644 Shares being issued by the Company. The mandate allows the Company to allot, issue and dispose of shares during the period ending on the earliest of the date of the next annual general meeting, the date by which the next annual general meeting of the Company is required to be held by law or the date upon which such authority is revoked or varied by an ordinary resolution of the shareholders in a general meeting of the Company.

### GENERAL MANDATE TO REPURCHASE SHARES

At the AGM, an ordinary resolution will also be proposed that the directors be given a general mandate to exercise all powers of the Company to repurchase issued and fully paid shares of the Company. Under such mandate, the number of shares that the Company may repurchase shall not exceed 10 per cent of the total number of shares of the Company in issue on the date of the resolution (excluding treasury shares). The Company’s authority is restricted to purchases made on The Stock Exchange of Hong Kong Limited (the “Stock Exchange”) in accordance with the Listing Rules. Based on 487,358,224 Shares in issue as at the Latest Practicable Date and on the assumption that no Share will be issued or repurchased prior to the AGM, exercise in full of the mandate could result in up to 48,735,822 Shares being repurchased by the Company. The mandate allows the Company to make or agree to make purchases only during the period ending on the earliest of the date of the next annual general meeting, the date by which the next annual general meeting of the Company is required to be held by law or the date upon which such authority is revoked or varied by an ordinary resolution of the shareholders in a general meeting of the Company.

The directors have no present intention to repurchase any Shares but consider that the mandate will provide the Company the flexibility to make such repurchase when appropriate and beneficial to the Company. Such repurchases may enhance the net value of the Company and/or earnings per Share. As compared with the financial position of the Company as at 31st March 2025 (being the date of its latest audited accounts), the directors consider that there would be a material adverse impact on the working capital and on the gearing position of the Company in the event that the proposed purchases were to be carried out in full during the proposed purchase period. No purchase would be made in circumstances that would have a material adverse impact on the working capital or gearing ratio of the Company.

---

## LETTER FROM THE BOARD

---

The Company is empowered by its Memorandum of Association and Bye-laws to purchase its shares. Bermuda law provides that the amount of capital repaid in connection with a share repurchase may only be paid out of either the capital paid up on the relevant shares, or funds of the Company that would otherwise be available for dividend or distribution or the proceeds of a new issue of shares made for such purpose. The amount of premium payable on repurchase may only be paid out of either the funds of the Company that would otherwise be available for dividend or distribution or out of the share premium accounts of the Company before the shares are repurchased. The Company may cancel the repurchased shares following settlement of any such repurchase and/or hold them as treasury shares subject to market conditions and its capital management needs at the relevant time of the repurchases.

The directors intend to apply the capital paid up on the relevant Shares and/or the profit that would otherwise be available for distribution by way of dividend for any purchase of its shares.

### **Directors, their close associates and core connected persons**

None of the directors nor, to the best of the knowledge and belief of the directors having made all reasonable enquiries, any of the close associates (as defined in the Listing Rules) of any of the directors has any present intention, in the event that the proposal is approved by shareholders, to sell Shares to the Company.

No core connected person of the Company (as defined in the Listing Rules) has notified the Company that he/she has a present intention to sell Shares to the Company nor has he/she undertaken not to sell any of the Shares held by him/her to the Company in the event that the Company is authorised to make purchases of Shares.

### **Undertaking of the directors**

The directors have undertaken to the Stock Exchange to exercise the power of the Company to make purchases pursuant to the proposed resolution in accordance with the Listing Rules and all applicable laws of Bermuda, and in accordance with the regulations set out in the Memorandum of Association and Bye-laws of the Company.

### **Effect of Takeovers Code**

A repurchase of Shares by the Company may result in an increase in the proportionate interest of a substantial shareholder of the Company in the voting rights of the Company, which could give rise to an obligation to make a mandatory offer in accordance with Rule 26 of the Hong Kong Code on Takeovers and Mergers (the “Code”).

As at the Latest Practicable Date, to the best of the knowledge and belief of the Company, the late Dr. Yeung Ming Biu (“Dr. Yeung”), who, together with his associates (including Datsun Holdings Limited (“Datsun”)), and Datsun, held approximately 31.96 per cent and 26.22 per cent of the issued share capital of the Company respectively, were the only substantial shareholders holding more than 10 per cent of the issued share capital of the Company. In the event that the directors should exercise in full the power to repurchase Shares which is proposed to be granted pursuant to the resolution, the shareholdings of such shareholders in the Company would be increased to approximately 35.51 per cent and 29.13 per cent of the issued share capital of the Company respectively and such increase would give rise to an obligation on the estate of Dr. Yeung to make a mandatory offer under Rule 26 of the Code.

### **Stock Exchange Rules for repurchases of shares**

The Listing Rules permit companies whose primary listings are on the Stock Exchange to repurchase their shares on the Stock Exchange subject to certain restrictions, the most important of which are summarised below:

**(i) *Shareholders' approval***

The Listing Rules provide that all share repurchases on the Stock Exchange by a company with its primary listing on the Stock Exchange must be approved in advance by an ordinary resolution, which may be by way of general mandate or by a special approval.

**(ii) *Source of funds***

Repurchases must be funded out of funds legally available for the purpose.

### **General**

During each of the six months preceding the date of this circular, no Share had been repurchased by the Company.

## LETTER FROM THE BOARD
